

Comprehensive + PFAS + Min. Recycled + Reusables – Ordinance Type G:

A. Food Service Ware

- No person, Food Vendors, or City-affiliated entity may use, sell, or otherwise Distribute within the City any Food Service Ware that is not either Compostable or Recyclable, made from Polystyrene Foam, any single-use stirrers, splash sticks, cocktail sticks, or toothpicks made with plastic, or beginning January 1, 2020, any Food Service Ware that is Compostable and not Fluorinated Chemical Free, and that does not contain a minimum post-consumer recycled content as specified.

B. Food Service Ware Accessories (straws/stirrers/utensils, etc.)

- Food Vendors and City-affiliated entities shall provide compliant Food Service Ware Accessories only upon request or in a self-service area or dispenser, except for single-use straws, which shall be made available upon request only.

C. Meat and Fish Trays, Egg Cartons

- No person may sell or otherwise Distribute for compensation within the City, Meat and Fish Trays and Egg Cartons made from Polystyrene Foam, or that are not Compostable and/or Recyclable.

D. Coolers, Packing Materials, and other Expanded Polystyrene Products

- No person may sell, offer for sale, or otherwise Distribute for compensation within the City: Packing Materials (shipping boxes, packing peanuts, etc); coolers, ice chests, or similar containers; pool or beach toys; or dock floats, mooring buoys, or anchor or navigation markers; made from Polystyrene Foam that is not wholly encapsulated or encased within a more durable material.

E. Event Reusable Beverage Cups

- Beginning on January 1, 2020, Event Producers providing Prepared Food beverages at Events (100+ attendees) must either make Reusable Beverage Cups available to no less than 10% of their attendees, or be able to demonstrate that at least this percentage of attendees brought or will have access to a Reusable Beverage Cup at the Event.

C. Exemptions

- Prepared Food that is packaged outside the City and is sold or otherwise provided to the consumer in the same Food Service Ware in which it originally was packaged.
- Any place of public accommodation may provide single-use plastic straws to meet the needs of individuals who request such plastic straws, or who may require use of plastic straws in relation to medical circumstances.

D. Example

- **San Francisco combined through Ordinance 294-18**
